Curso: GR1CC

Fecha: 15/05/2025

[Tarea 01] curso de programación en Python

The screenshot shows the 'Python Essentials 1' course page. The header includes the Cisco Networking Academy logo and a search bar. The course title 'Python Essentials 1' is prominently displayed, along with a description: 'Este curso es parte de Colecciones de aprendizaje - Python. Learn fundamental concepts of computer programming and start building coding skills with the Python programming language.' Below the title, there are two tabs: 'Autoguiado en línea' (Learn at your own pace) and 'Dirigido por un instructor' (Learn with an academy). The 'Autoguiado en línea' tab is selected, showing a language dropdown set to 'English (English)' and a green button labeled 'Reanudar curso' (Resume course) with '821.722 ya inscritos' (821,722 already enrolled). To the right, there is a large blue banner with the Python logo and the text 'Python INSTITUTE PI'. Below the banner, there are icons for 'SIN CARGO' (No fee), '30 HORAS' (30 hours), 'PRINCIPIANTE' (Beginner), '30 PRÁCTICAS DE LABORATORIO' (30 lab exercises), and 'PROPIO RITMO' (Own pace). At the bottom, there is a 'Logros' (Achievements) section with several icons representing different skills or milestones.

The screenshot shows the 'Python Essentials 1' course progress page. The left sidebar contains a 'Esquema de Curso' (Course Outline) section with a search bar and a list of modules. The first two modules, 'PE1: Módulo 3. Valores Booleanos, Ejecución Condicional, Bucles, Listas y su procesamiento, Operaciones Lógicas y de Bit a Bit' and 'PE1: Módulo 4. Funciones, Tuplas, Diccionarios, Excepciones y Procesamiento de Datos', are marked as 100% complete. The third module, 'Fundamentos de Python 1 (PE1) Examen Final del Curso', is also marked as 100% complete. Below these, there are three items: 'Proyecto Final' (Final Project), 'Prueba Final' (Final Exam), and 'Encuesta de Fin de Curso' (End of Course Survey), all marked with green checkmarks. The main content area shows a large image of a person working on a laptop, with the text 'Proyecto Final' and 'Deslizar para comenzar' (Slide to start). At the bottom, there is a yellow button labeled 'PROYECTO' and the text 'Tic-Tac-Toe'.
